Scrip is an easy way to get your shopping done, support local businesses and help Cedar Tree! Cedar Tree is focused on supporting our local businesses that are continuing to be deeply affected by the pandemic. Our offerings of scrip are now limited to only locally owned, anti-racist businesses who fully support Cedar Tree's mission and actions in our community.

Scrip cards can be purchased once a month. We will send out a reminder email each month to the school community and fan clubs for each classroom.

Scrip cards can be purchased (and used like a gift card) for shopping at different local stores.

Cedar Tree receives the follow percentages* from the different stores:

Community Food Co-Op – 5%
Elizabeth Station – 10%

Village Books – 10%

If you are interested in a larger variety of gift cards available for Scrip purchase, please email kate.ferry@cedar-tree.org for the detailed information on purchasing.

If you place a repeating monthly order for scrip cards by October 1st, you will receive a \$5 gift card to Elizabeth Station!
